

## **OCF Path Planning Minutes May 17, 2015**

### **Announcement**

Fair site is already crowded.

Dr Joe is not doing Barter Fair at Quiet Camp this year.

On the Fourth of July—site will be closed; crew, staff and vendors on site with wrist bands only.

Volunteers on Aero Road and Chickadee Lane will stop all un-credentialed staff!

#### **Board reports**

Barter Fair has been paused again

### **Staff Report**

Shane-Zenn Achers house was demolished and carried away yesterday It's really dry on site. Yesterday had a walk around in the new area with water crew, site security, stake holders; it's going to be amazing.

Great job, Shane

Sue, Amy and Indigo--great work on prepping this planning session.

**New Area Group (NAG) report--** We are going to have room for big art. We will have a Tiny House, we will have a rickshaw and photo ID cart. We are ordering a lot of cloth and canvas. Food booths are coming together The Horn of Africa, a new Fair booth, is getting lots of support. Next year we are going to do another call out. We have purchased tanks for gray water holding in the new area.

### **Committee reports**

**Sub woofers-** path planners will help at each table, one host and one scribe.

After a group leaves report to the next group what was just discussed. Ideally to cover new ground.

We received 96 pages of personal comments.

Try to suppress personal stories/experience.

**Dust abatement** workshop needs to meet before Fair, Dean needs to contact Christy and Renee about the workshop contact.

**Lighting** Tim Holts makes tiny circuits that drain "dead" AA batteries of their charges and run LEDs. Look for green glow to find recycling stations, hand washing stations, and porta-potties at the Fair at night.
